Goodrich Price Readjustment Endorsed By Users and Dealers Throughout the Country

The decisive reduction of 20% in the prices of Goodrich Silvertown Cords, Goodrich Fabrics and Goodrich Inner Tubes which took effect Monday, May 2nd, received the endorsement of both tire users and dealers.

It was accepted at its full value as a helpful economic move in tune with the times.

It conforms to present conditions and carries out in a straightforward way constructive merchandising methods.

Goodrich tires have earned their reputation and standing with motorists by sheer quality of construction and complete dependability of service.

Quality in a tire rests not only upon the materials of which it is made, but also upon the experience and skill of its makers.

Every advance in construction and improvement in making, with many exclusive betterments, is in the Goodrich tires you buy today.

Your Goodrich dealer is ready to supply your needs.
